

FISCAL NOTE

SB 920 - HB 833

January 22, 2002

SUMMARY OF BILL: Authorizes the Tennessee Claims Commission to issue injunctions against the wildlife resources agency in actions based on alleged nuisances created or maintained by the Tennessee Wildlife Resources Agency and in actions based on negligently created or maintained dangerous conditions on state-controlled real property. Currently, the Tennessee Claims Commission may only award monetary damages.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Exceeds \$100,000/Wildlife Resources Fund

Estimate assumes the Tennessee Wildlife Resources Agency would be responsible for paying all costs involved in complying with any injunction issued against them. The Tennessee Attorney General's Office would be responsible for defending any action for injunctive relief.
